Welcome Message

On behalf of the organizing committee of the Iraqi Society of Obstetrics and Gynaecology I am pleased to announce the 4th international conference of the society, which will be held in Baghdad from 5th - 7th of April 2017 at Babylon hotel - Baghdad, Iraq. Our conference program will include recent and updated developments in the field of obstetrics & gynaecology.

We have invited several eminent international figures each in his specialty to our conference. There will also be a vast number of Iraqi specialists who will present their own recent research and experience in this field. Symposia and round table discussions about hot issues in this field are arranged accordingly. There are some workshops to be organized by predominant specialists who will display the experience of their practice to the trainees.

We would welcome your scientific contribution and attendance and will organize a special social and archeological visits to various interesting places in Iraq.

We look forward to your participation and contribution in the program assuring you of our most generous hospitality and friendliness.

Sarmad Khunda M.B ChB FRCS Ed FRCOG
President of the Iraqi Society of Obstetrics & Gynaecology
